About Buckeye Girls State

What is Buckeye Girls State?

Buckeye Girls State is a program designed to educate Ohio's young women in the duties, privileges, rights and responsibilities of good citizenship. By getting involved in the process, you will learn more about City, County and State Government in one week than you will learn in an entire semester of high school.

The young women selected for this honor are called Delegates and are assigned to one of two political parties – Federalist or Nationalist. As an active member of your party, you will learn political party structure and have a definite function in the government system. Through hands-on experience you have the opportunity to not only learn the mechanics of local and state government; you have the opportunity to learn citizenship and patriotism; you gain self-confidence, poise and character. Attendance also makes you eligible to apply for or be selected for awards, honors and scholarships as outlined in this packet.

Buckeye Girls State has a policy that all delegates must stay for the entire program, which lasts seven days; from Sunday, June 12 beginning at 1:00 pm through Saturday, June 18 at 12:15 pm. If a Delegate leaves early she forfeits all rights to any honors, awards and scholarships presented or announced at the closing program. She is not permitted to say that she attended the program. Unlike a camp, Buckeye Girls State is a week long process for learning about government, campaigning and running for office and then operating in the elected or appointed position for the rest of the week. And it's not fair to other citizens who are counting on her to perform those responsibilities throughout the week. If she leaves the program early she will not get the full benefit of participating. We recognize this is a difficult decision for young women. But this is just one of the decisions she will be making as an adult and only one of the life lessons she may learn by attending Buckeye Girls State. If a Delegate elects not to attend, please contact the American Legion Auxiliary Unit sponsoring her so that they can notify their alternate.

Benefits of Attending Girls State

Where is Buckeye Girls State?

Buckeye Girls State 2011 will be held on the campus of University of Mount Union in Alliance, Ohio. Delegates and Staff are housed on campus in university residence halls. Each girl must provide her own transportation to and from Buckeye Girls State. If you drive your personal car, you must turn your keys in to the Girls State Information Center upon arrival. You must also complete the **Delegate Vehicle Identification Form** included in this packet and return it in the large, self-addressed envelope contained in this packet by June 1, 2011. Registration begins at 1:00 pm on Sunday, June 12th. Delegates are not allowed to leave the campus until after the closing session of Buckeye Girls State on Saturday, June 18th.

Buckeye Girls State On-line Orientation Program

Completing the On-line Orientation is mandatory for all attending Delegates. This new, innovative process of preparing Delegates for Girls State will be available on the website (www.buckeyegirlsstate.org) by mid-April, 2011. Delegates must complete the On-line Orientation by June 11, 2011 and notify their sponsoring Unit upon completion.

BENEFITS OF THE ON-LINE ORIENTATION

- Consistent dissemination of information
- Sponsoring Unit has on-line confirmation of completed individual Orientations
- Convenience (available at the Delegate's home, school or local library)
- Required travel unnecessary
- Delegate Information Packet remains on-line for easy reference or replacement of misplaced documents
- Delegates, Alternates, Parents, Unit Members have access to the same information resulting in improved communication and better prepared Delegates

In order for you to complete the On-line Orientation the following actions must have occurred:

- You have received the "***Delegate Information Packet***"
- You have carefully studied the "***Delegate Information Packet***" contents

In order to complete the On-line Orientation, log on to the website (www.buckeyegirlsstate.org), click on the "On-line Orientation" button, enter your First Name, Last Name, and Application Number as found on the address label on the Information Packet you received and correctly answer all the multiple-choice questions. To gain credit for completing the On-line Orientation you must enter your First and Last Name exactly as spelled on the envelope label along with your Application Number.

You may also be invited to attend an American Legion Auxiliary Unit or District sponsored social event where you and your parents can meet other Delegates and Alternates from your area. While these events are not mandatory, we encourage you to attend.

Buckeye Girls State Policies

These policies were developed for your safety. Anyone who does not adhere to the Girls State Policies (detailed on Page A-7) or creates disturbances to the point she disrupts the program and/or other Girls State Citizens, will be subject to immediate dismissal and will be sent home from the Girls State Program. Some violations may be subject to criminal prosecution.

Registration—Sunday, June 12, 2011

Registration for the 2011 session of Buckeye Girls State opens promptly at 1:00 PM on Sunday, June 12th and closes at 3:00 PM in the Peterson Field House, #31 on the campus map. Arrivals prior to 1:00 PM are unnecessary since registration will not open prior to 1:00 PM.

Please follow the Girls State Traffic Control personnel and the Ohio State Highway Patrol officers who will move you quickly in and out of the Registration Area. You will be directed to a convenient parking area.

Do not unpack your luggage at the registration site. After you register, you and your parents will be directed to your residence hall where you may unpack near your assigned room.

At the Registration Area, please line up at the proper Registration Station by your last name. Stations are divided in groups based on the first three letters of your last name (AAA-ARC, ARD-BAE, etc.). At the Registration Station you will be handed a 3 x 5 card with your housing location, your assigned Buckeye Girls State City and County, and other information. **Before leaving the Registration Station, check your name, address and school information on the card.** Ensure the information shown on the card describes you and not another Delegate with the same or similar name. Once you have officially registered you are on your way to becoming a Citizen of Buckeye Girls State.

If you are an Alternate replacing a Delegate at the last minute, please proceed to the Registration Station labeled “Alternates replacing Delegates”. You will be given further directions there. You must know the name of the Delegate you are replacing.

Medical Information/Registration

The **Medical Record and Consent Form** must be fully completed, signed, and returned in the large, self-addressed envelope contained in this packet by June 1, 2011. If you have had a physical (for sports, etc.) in the past year, then your parent may complete the form. Otherwise, you must get a physical before arriving at BGS.

Be sure that all required signatures are included on the form before returning it!

A nurse’s station will be set up at registration to answer any questions you or your parents may have.

If the Medical Alert box is checked on your Registration Card you will be required to visit the clinic in the Dewald Chapel, #27 on the Campus Map, after you have completed the registration process and have completed the check-in process at your assigned Residence Hall.

About Buckeye Girls State Government

General Information

To get the most from the Buckeye Girls State Program, you need to participate. Select an office you feel you can serve well. If you are interested in a particular office, do some research before coming to BGS to find out all you can about the duties, function and responsibilities of that office. The Ohio Government Digest is available on the website (www.buckeyegirlsstate.org) to assist you in your research. You might want to consult an official holding the office as part of your research. Take full advantage of the Monday Workshops to learn specific information about the office you seek. Once you have researched the office, campaign enthusiastically and, if elected, represent your fellow Citizens to the best of your abilities. Remember, they have entrusted their vote to you! If you should lose, you have still “won” for you have gained from those experiences and the election process.

Also, have alternative positions in mind. There are many, many appointed positions on all levels at Girls State so don't be discouraged if you don't get your first choice. There should be no one unemployed! Make the very most of this time. You will benefit now and far into the future!

Because our time is limited there are some areas where we have had to make decisions for you, but we attempt to adhere to Ohio laws and processes as closely as possible.

Political Parties

Although you will select your own party affiliation in your private life when you turn 18, at Buckeye Girls State you will be assigned to a political party. There are two parties – Federalists (blue lanyards) and Nationalists (gold lanyards). Once you are assigned to a party however, you will create your own party platform. You will be among the approximately 900 girls attending the program.

Cities and Counties

At registration, you will be assigned to a City. There are 20 Cities named for famous Ohio women. Each City has a City Government Advisor and a City Counselor.

Your City is part of a County. The four Counties are named for living Past State Presidents of the Ohio American Legion Auxiliary. Each County has a County Government Advisor.

The Election Process

City Elections are held within your City. Primary and General Elections are held in four computer labs around campus and determine the officials on the County and State levels. Each City will elect two Central Committeemen (one for each party) whose duties include:

1. Foster and instill party loyalty.
2. Make certain her party has candidates for City Offices.
3. Promote candidates for County and State Offices, and work for their election.
4. Take an active role during County & State Caucuses, Rallies and Debates.
5. Participate in platform development.

Your City Central Committeeman, along with her counterpart in the opposing party and their City Government Advisors, serve as the Precinct Election Official and will assist in the Primary and General Elections. She must also hold an appointive position after these duties are completed. She, along with her counterpart and Advisor, will be responsible for preparing the ballot used in the election of the City Officials.

Each party will elect a County Board of Elections official within their City to assist with the Primary and General Elections, petition filing, etc. She too, must hold an appointive position after these duties are completed.

Declaration of Candidacy and Petitions must be signed by not less than four (4) nor more than eight (8) electors of the same party in the same County. Please note that All BGS Staff Members are considered a Notary Public when it is necessary for you to have papers signed. As in real life a filing fee is required; however, at BGS you'll receive BGS checks to cover any government functioning expense.

To become a candidate for:	You:
County Office	Should be nominated through the <u>County Caucus</u> of your political party. Candidates must file a Declaration of Candidacy and a Petition for the <u>Primary Election</u> (along with the required BGS filing fee) at the designated place and time listed in the Daily Program.
State Offices	Should be nominated through the <u>State Caucus</u> of your political party. Candidates must file a Declaration of Candidacy and a Petition for the <u>Primary Election</u> (along with the required BGS filing fee) at the designated place and time listed in the Daily Program.
Senators and Representatives	Must be elected from a <u>Congressional District</u> . The County is considered a Congressional District. This means you must file a Declaration of Candidacy and a Petition (plus a BGS filing fee) for the <u>Primary Election</u> .
Judges	Must run on their party affiliation in the <u>Primary Election</u> , filing a Declaration of Candidacy and a Petition (plus a BGS filing fee). These offices become non-partisan (no party affiliation is listed) in the <u>General Election</u> .
State Board of Education	Must be elected from each <u>State School Board District</u> (each City is considered a State School Board District). This means you must file a Nominating Petition and Declaration of Candidacy at the time and place designated in the Daily Program. Your name will appear as non-partisan (no party affiliation listed) in the <u>City General Election</u> .

The five members of the City Board of Education and the Municipal Judge will be considered non-partisan on the ballot.

President of Council is the candidate who receives the highest number of votes in the election. The President of the City School Board is elected by the members of the board.

All Judges and Clerk of Courts of Common Pleas are considered partisan in the Primary Election and non-partisan (no party affiliation) in the General Election

The Governor and Lt. Governor will run as a team, which is determined at the State Party Caucus.

For convenience, each City is an Election Precinct and a Local and State School District and each County are a State Senatorial and Representative District.

Only official signatures will be valid on official papers (signature under which you are registered at BGS).

No person may file for or hold more than one elective office. No election official may file a petition

If you are running for a County Office or a countywide election, you should campaign in all cities located within your county. State Board of Education candidates need only campaign in their city.

Government functions take precedent over all other activities – so plan accordingly.

Declaration of Candidacy and Petitions

All candidates for County or State level offices must secure, circulate and file a Petition according to the schedule listed in the Daily Program

Petitions must be signed by not less than four (4) nor more than eight (8) electors.

Signatures of electors shall be the same Political Party as the candidate except with Judges and State Board of Education petitions where electors irrespective of party may sign.

State Board of Education candidates must secure electors within their city.

The Petition asks for a committee of four (4) to sign for the candidate. Also, there are signatures for the petition itself. The same four (4) may sign both.

The "County Seat" is the first named city in the Daily Program.
