DELEGATE VEHICLE IDENTIFICATION FORM

Buckeye Girls State 2017 will be held on the campus of University of Mount Union in Alliance, Ohio. Each girl must provide her own transportation to and from Buckeye Girls State. If you drive your personal vehicle, you must turn your keys in to the Girls State Information Center upon arrival. You must complete this form and return it in the large, self-addressed envelope contained in this packet by June 1, 2017 if you intend to drive yourself. Registration begins at 1:00 pm on Sunday, June 11th. Delegates are not allowed to leave the campus until after the closing session of Buckeye Girls State on Saturday, June 17th.

Parking should be limited to the Hoover-Price Campus Center parking lot or in a lot close to your Residence Hall. Occasionally BGS program or University needs will require that your vehicle be moved. In order to determine a vehicle's owner and to notify them to move their vehicle, the following information is required. Once notified, you would then be asked to pick up your keys from the Information Center, move your vehicle from the lot specified, and then return your keys to the Information Center.

Name _____		Email _____	
Last	First	M.I.	
Address _____			
Street	City	ZIP + 4
